# PLAZA III WHITE CHEDDAR POTATOES

## MICROWAVE

---

- 1 Remove from clear packaging
- 2 Reheat on HIGH for 2 minutes
- 3 Continue on HIGH at 30 second intervals until desired temperature
- 4 Let stand 2 minutes before serving

### THAWING INSTRUCTIONS:

Defrost in the refrigerator 8 – 10 hours, or place in a microwavable container and heat on high for 30 seconds, flip, then heat for 15 seconds.

Potatoes should be cooked to an internal temperature of 165°
